Welcome to Fall Learning at the College of Southern Maryland

As summer unfolds, it's the perfect time to plan ahead for a season of growth, creativity, and connection. The fall schedule at the College of Southern Maryland (CSM) is now available, and we're excited to offer a wide variety of programs designed to support learners of all ages and stages of life.

This fall, you'll find returning favorites and inspiring new classes—from culinary arts and interior design to music, ceramics, and recreation. Explore holiday-themed workshops like watercolor card making and festive cooking, along with community favorites like hand dancing. With new classes at the CSM Makerspace in Indian Head—just minutes from La Plata and Waldorf—it's easier than ever to create, connect, and explore close to home.

We're especially proud to introduce Thrive 60+, a new initiative offering reduced-cost personal enrichment classes for adults aged 60 and above. Made possible through grant support, this program expands access to lifelong learning while celebrating the contributions of adults in our region. You can learn more about Thrive 60+ in the opening pages of this catalog.

At CSM, we are committed to providing flexible, high-quality learning opportunities across a range of formats—online, hybrid, and in person. From kids and teens to working professionals and retirees, we invite you to find your place with us this fall.

We look forward to seeing you in class.

THRIVE 60+

Communication
Connection
Shared Experiences

Thrive 60+ is a lifelong learning program designed for adults aged 60 and up, empowering participants to enrich their lives through community, connection, education, and enjoyment. Whether you're relaxing with a familiar hobby or diving into something entirely new, Thrive 60+ invites you to learn, explore, and engage at your own pace.

Build new friendships, discover shared interests, or deepen your appreciation for the world around you. Expand your horizons with creativity, movement, conversation, or hands-on skill-building. This is your time to connect, experience, and thrive.

Thanks to generous support from the College of Southern Maryland Foundation, Thrive 60+ offers fun and engaging classes at little or no cost. Programs are available at CSM campuses across Calvert, Charles, and St. Mary's counties.

Learning is a lifelong journey—and with Thrive 60+, you choose where it leads. Try something you've always been curious about—or something you never expected to love.

This program opportunity is made possible by the CSM Foundation.

Driver Education Classroom – 30 Hours

The Motor Vehicle Administration (MVA) requires this class for those wishing to obtain a Maryland Driver's License. Maryland law requires 30 hours of classroom instruction. Classroom instruction includes orientation, discussion of space management, basic maneuvering, reducing risk and personal factors influencing operator performance, and collision avoidance. The MVA requires that the student attend an orientation accompanied by a parent, guardian, or mentor. The orientation will be three hours long and will acquaint students with the school's requirements and components of Maryland's Graduated Driver Licensing Laws. You must be 16 years of age to take this class. A learner's permit is not required as there will be no behind-the-wheel instruction in this class.

Note: MVA requires that a VIDEO camera is on your computer to show you are in attendance for the full three hours of the class. Must be 16 years of age before first day (orientation) to take class. Parent/guardian or mentor is recommended to attend orientation with the student if under 18.

Alive At 25 Behavior Modification

Motor vehicle crashes are the number one cause of death for young adults ages 16–24. Out of 60,000 Colorado students who completed the Alive at 25 program, the program reduced deaths from crashes by 97%. Alive at 25 is a highly interactive, behavior modification program delivered by law enforcement. Through interaction and role-playing, students are persuaded to take responsibility for their actions, adopt safe practices, focus on healthy decision making, and form their own conclusions about the consequences of risky driving behaviors. Alcohol, distractions, peer pressure, speed factors, and more are discussed.

Note: Details for accessing myLearning portal and class preparation will be provided via email approximately one week prior to the class. All students must have the Alive at 25 (NSC Driver Safety Training) Course Guide (4th Edition) to participate. It was either handed to you by a Teen Court or Juvenile Services Caseworker, mailed to address on file, or arrangements are being made to pick up at one of our CSM Campuses. If you do not have it by 4 p.m. on the Friday before the start of class, contact jmadams6@csmd.edu by email immediately to work out options. Do not wait until the day of the class to email. You will be required to prove that you have the course guide the night of the class.

MOTORCYCLE SAFETY

Basic Rider Course (BRC)

This two-day class, approved by the Maryland Department of Transportation Motor Vehicle Administration (MDOT MVA), is designed for true beginners—those with little to no riding experience—who want to earn a Class M motorcycle endorsement. Taught by MDOT MVA and Motorcycle Safety Foundation (MSF) certified coaches, this class includes both classroom instruction (delivered on the riding range) and hands-on practice using 250cc training motorcycles provided by the program. Riders will learn essential skills such as clutch-throttle control, stopping, turning, shifting, and basic crash-avoidance techniques. Before class begins, participants must complete the MSF's five-hour online eCourse. A certificate of completion must be presented on the first day of class. The program will send the eCourse link at least three days before the start of training. Topics include basic motorcycle operation, preparing to ride, managing risk, and street strategies. Riders must bring and wear their own personal protective equipment (PPE). See the PPE Checklist for details. Gear will be inspected by the instructor on the first day. Students without appropriate PPE will not be allowed to participate. Instructors will provide coaching and evaluate each rider's progress throughout the class. Riders must meet performance standards and pass both a written and skills test to successfully complete the class. Those who pass will receive a Maryland Motorcycle Safety Program Completion Card and, if licensed in Maryland, a certificate to add the Class M endorsement to their license.

Forest Bathing

In Japan, they practice something called forest bathing, or shinrin-yoku. Shinrin in Japanese means forest, and yoku means bath. So shinrin-yoku means bathing in the forest atmosphere, or taking in nature through our senses. Simply put - forest bathing is retreating to nature to slow down and become immersed in the natural environment. Benefits may include stress reduction, mood enhancement, increased energy and better sleep, decreased inflammation, lower blood pressure, and even decreased risk of heart attack. Take the time to unwind and connect with nature to improve your health. Please wear comfortable shoes and clothes as this class will be held outside.

Costs

Costs are listed with each course description. Full payment of tuition and fees or third-party payment documentation must accompany the completed registration form(s). Students are individually responsible for payment of tuition, fees, and all other charges. Please note that financially delinquent accounts may be referred to an outside collection agency. If this occurs, the individual or company will be responsible for all attorney and collection agency fees imposed.

If you need financial assistance to help pay for the cost of your eligible workforce development courses, information on how to apply is available on csmd.edu/ceaid.

Additional Tuition and Fees

- Legal residents of Maryland residing outside of the tri-county area.....\$5 more per course
- Out-of-state residents.....\$10 more per course
- Continuing Education Certificate.....no cost
- Replacement of Continuing Education Certificate.....no cost
- Returned items (ACH online payments, credit card charge backs, and returned checks).....\$25
- The college reserves the right to adjust tuition and fees.

Proof of Residency

To be eligible for in-county or in-state rates, please sign a statement on the Continuing Education registration form certifying that you've lived at your current address for at least three consecutive months. Adjustments of tuition will not be made once the class starts, even if you move. If you have questions or wish to review your residency status, contact the Admissions Office at 301-934-2251.

Payment

- Payment is due at the time of registration.
- You may pay online by American Express, Visa, MasterCard, or Discover using the non credit registration system.
- If your employer is paying tuition, bring written authorization from the employer, or email approved tuition assistance paperwork to tap@csmd.edu. For further information please go to csmd.edu/apply-register/third-party-or-employer-paid/
- If making a payment only, please remit payment to:
STUDENT ACCOUNT SERVICES CSM
PO BOX 910, LA PLATA, MD
20646-0910

Free Tuition for Senior Citizens

If you are a Maryland resident, aged 60 and above, you need not pay the course tuition for most courses, if the course has sufficient enrollment to be conducted. However, you are still responsible for all other related fees.

Employees of Maryland Business and Industry Tuition Rate

CSM offers a cost-saving agreement that allows employers located and doing business in Calvert, Charles, and St. Mary's counties to be charged lower, in-county tuition rates for their employees who do not live in Calvert, Charles, and St. Mary's counties. Employers not located in Calvert, Charles, or St. Mary's counties, but within the state of Maryland, may be charged a lower, in-state tuition rate for their employees who live outside the state of Maryland. To be eligible, employers must pay the tuition for their employees taking CSM credit or Continuing Education courses. Employers must sign the Business In-County Tuition Rate Agreement and submit it with the employee registration form. For details, call 301-934-7712 or 240-725-5300, ext. 7712.

Adding into Closed Classes

Occasionally, seats will become available in a class that has been closed. You can monitor seat openings through the college's website. If a seat becomes available, you can add the class through the non credit registration system or in person at one of our campus locations. Payment is required at the time of registration.

Course Cancellation

The college reserves the right to cancel any course due to low enrollment or unforeseen circumstances. However, every attempt will be made to prevent undue hardships on students. Students enrolled in courses canceled by the college will receive full refund of tuition and fees. Please call Student Account Services at 301-934-7712 or 240-725-5300, ext. 7712 or email studentaccounts@csmd.edu for refund inquiries or requests. For more information on CSM's operational status, visit csmd.edu/safe.

Course Changes

Changes to course information and room assignments occur on a regular basis. For the most current information, check out the college's website at csmd.edu.

CEU/ Attendance Policy

The Continuing Education Unit (CEU) is a nationally recognized method for recording participation in a Continuing Education (credit-free) program that does not carry credit toward a degree but does meet established criteria for increasing knowledge and competencies. One CEU is awarded for each 10 contact hours to those students who complete a minimum of 80% of an organized credit-free course.

CEU Award Criteria

- Students wishing to earn CEUs must:
- Demonstrate completion of all course objectives, skills, or assignments listed on the course outline.
 - Satisfy course attendance requirements.

Attendance Requirements

Attend a minimum of 80% of the course sessions (more stringent criteria may be applied to the definition of “successful completion” of any or all of the courses at the discretion of CSM or its clients). Attendance will be taken for every class as part of the college’s record keeping system and to meet the criteria for awarding CEUs. Some regulated training programs require 100% attendance.

CEU Record

Continuing Education students can acquire a Continuing Education record that will list the continuing education units completed, beginning with the 2004 spring semester. Students may obtain a Continuing Education record one of several ways:

1. Class history can be viewed on the student profile dashboard.
 2. Students can request their Continuing Education Record by completing the record request form, go.csmd.edu/cedrecordrequest.
- Options for submitting this form:
- You may complete and turn this form in at any CSM campus (must show your photo ID at time of drop off).
 - You may mail to:
COLLEGE OF SOUTHERN MARYLAND ATTN: REGISTRAR’S OFFICE (REG)
PO BOX 910
LA PLATA, MD 20646
 - You must also mail a copy of your photo ID to authenticate your request. You may email the request to transcripts@csmd.edu, along with a photo ID to authenticate your request.

Awards include:

CMP	Completed the course, met required competencies and earned CEUs
ATT	Attended the course, no CEUs awarded
WD	Withdrawal
CIP	Course in Progress
INA	Incomplete for
I	Non-Attendance Incomplete

An appeal process has been established for students who wish to appeal their Continuing Education unit awards.

Admissions Policy

Continuing Education courses are open to persons age 16 or older unless stated in the course description. Students may enroll in Continuing Education courses without being admitted to the college unless your financial assistance requires it. In all cases, the college reserves the right to make final decisions on admission or eligibility for enrollment in Continuing Education.

Student Code of Conduct

A community of higher learning can make its maximum contribution only if high standards of integrity, courtesy, and accomplishment are maintained by every member of the college. Responsibility for achieving this goal falls upon students, faculty, and administration alike.

The college reserves the right to discipline any student for any behavior, on college premises or in connection with college-sponsored activities, which is judged as detrimental to the aim and objectives of the college. The individual student is responsible for understanding specific regulations set forth in the Student Code of Conduct.

Academic Probation

Continuing Education students can be placed on probation for non-attendance. This will only apply in situations where students are receiving financial aid.

Credit for Prior Learning

The College of Southern Maryland has partnered with the Calvert County, Charles County, and St. Mary’s County public school systems to recognize the achievements of students who have taken specialized technical training in some high schools. If you have completed course work in one of the high schools, you can progress to the next level course for similar non-credit CSM career training programs. The college recognizes that students may bring knowledge with them gained through work and life experience, participation in non-collegiate courses and training activities, and self-directed study. Students may possibly receive credit for learning from service schools and other non-collegiate-sponsored instruction if applicable.

Schedule Changes/ Withdrawals/ Refunds

Withdrawals can be made at any time during the course at any college location or by emailing webreg@csmd.edu. Please include your full name, student ID number, date of birth and the class information. Please check the refund policy for further details as the refund policy has a shorter time period than the withdrawal policy. Learn more at csmd.edu/costs-aid/refund-policy/index.html

In extreme circumstances, where the student is forced to withdraw after the normal refund period, the college may consider an exception to our published policy. To be eligible for consideration, the student must meet the criteria described in the Emergency Withdrawal and Tuition Refund Policy (under Student Progress and Academic Records).

The policy and procedures for submitting an appeal can be found at csmd.edu/about/policies/involuntary-withdrawal-policy.html.

Student ID Information

Getting Your Student ID Card:
Continuing Education students are eligible to get a student ID if they are currently registered for a CSM class. Student ID cards can be obtained at any campus library by presenting a photo ID, such as a driver’s license. Students without a photo ID can present other forms of acceptable identification. For more information call 301-934-7626.

Finding Your Student ID Number:

- Your CSM Student ID can be found in the following locations:
- Student ID Card
 - My Profile tab on the student dashboard

If you are unable to locate your Student ID number, contact the Call Center at 301-934-2251 or email askme@csmd.edu.

Buying Books

Textbooks and course materials are available for purchase online through the CSM College Store website at csmcollegestore.com and at the La Plata Campus store.

Campus pickup is free and available at the La Plata, Leonardtown and Prince Frederick campuses. Shipping is also available for textbooks and course materials for a flat fee of \$9.99.

Note: Sometimes books for Continuing Education classes are not available in the College Store until three days prior to the start of class. Contact the College Store at 301-934-7570 to check on availability.

Please visit csmcollegestore.com for hours of operation.

Financial Assistance

Financial assistance is available through the CSM Foundation for all eligible students enrolled in selected WORKFORCE TRAINING courses. A limited amount of financial assistance is available on a first-come, first-served basis to those who meet certain criteria. Scholarships do not include the cost of books or outside expenses. Scholarships are based on funding availability.

How to Apply

1. Go to: csmd.edu/ceaaid and click on Learn More About the Scholarship Finder for instructions on how to apply.
2. CSM has a registration system for Continuing Education classes as of January 2023. Once you have completed your scholarship application, please be sure you can log in to csmd.edu/ce by creating a profile if you do not have one or confirming your login if you do. Note: This login is NOT the same login you use for my.CSMD. You may use the forgot my username and password functions to assist you with logging in.
3. You will be notified about your scholarship application status via email in approximately 10-15 business days. If you were offered a scholarship and have completed the acceptance process, the funds will be directly applied to your profile in csmd.edu/ce. You may log in, register for the class, and pay any remaining balance you may have.

Note: Students should go to csmd.edu/ceaaid for details on financial assistance.
