Find Your Community at CSM

Lifelong learning goes beyond the classroom. It's about building connections and community. It's about sharing your passion and knowledge with others. It's about taking joy in shared experiences and making memories together.

Find your community here at the College of Southern Maryland (CSM). Our spring catalog is filled with opportunities to connect, learn, and grow by exploring new interests, honing skills, or sharing experiences with friends and family.

This year is extra special as we celebrate 40 years of fun! Since 1986, Kids' & Teen College has been a place where curiosity blooms, friendships grow, and summers shine. We're proud to honor this milestone as we continue celebrating creativity across generations with classes designed to bring people together.

From painting, photography, and dance, to language, technology, and wellness, you'll find courses that inspire expression, spark curiosity, and foster community, with kids and teens exploring their talents, adults developing fresh skills, and active retirees thriving in lifelong learning through our Thrive 60+ initiative.

Whatever your age or interest, you'll find welcoming spaces, kindred spirits, and supportive instructors ready to guide your journey. Together, let's celebrate the power of learning.

Ada Chan WORKFORCE DEVELOPMENT HOME INSPECTION STUDENT

“Ditanyan’s home inspection class was a revelation. From the moment it began, I was captivated by his energy and passion. This wasn’t just another dry lecture; Ditanyan brought the subject to life with engaging discussions and real-world examples. Forget passively listening – he kept us on our toes with thought-provoking questions and weekly quizzes that ensured we truly absorbed the material.”

Remy Jones CERTIFIED MEDICAL ADMINISTRATIVE ASSISTANT (CMAA) GRADUATE

“Taking the CMAA course at College of Southern Maryland has prepared me to enter a career path that expresses my love for healthcare and great customer service. The classes were well organized, the content was relevant, and our class instructor was so helpful. I highly recommend this program.”

INSTRUCTOR HIGHLIGHT

Instructor Voices

With a diverse skill set spanning management, innovation, coding, data analysis, and maker skills, Adjunct Professor Ebrahim Montazeri is dedicated to empowering individuals and communities through STEM education, technology, and innovation.

Born in Iran, he pursued his undergraduate education in applied physics with a concentration on astronomy, lasers, and physics at Shiraz University. His journey later took him to Florida State University, where he earned master's degrees in information technology, information science, and product development entrepreneurship.

Montazeri has always been driven by a desire to make a positive impact. As a young

professional and entrepreneur, he founded Nafir IT group, an internet service provider and IT education company that introduced cutting-edge technologies and international certifications to his community. His educational initiative Zanboore Dana ("wise bee") introduced more than 3,000 children to STEM concepts through hands-on experiences and science fairs, and in 2000 he established the Creative Power Group in 2000, a nonprofit makerspace that trained students in innovation, electronics, robotics, and teamwork.

Montazeri's commitment to empowerment through education extends beyond the classroom, volunteering with community organizations that promote literacy, STEM education, and character-building.

Instructor Voices

Jahee Oh, originally from Korea and raised in Gwangju, developed a deep connection to philanthropy early in life. Her grandfather founded a charity for the homeless in Gwangju, leaving a lasting impression on her childhood. Surrounded by the wisdom of older adults, their stories and faces shaped her enduring memories and continue to inspire her dreams.

Oh studied art education at Chosun University in Gwangju before becoming an art teacher in a rural town. In the late 1970s, she and her husband moved to the United States, where she pursued studies at the College of Art and Design at NC State University. After settling in Virginia, she continued her education in the Art Therapy Program at George Washington University.

For more than 20 years, Oh has been a dedicated educator in adult community art education, sharing her creativity across Virginia and Maryland. Beyond teaching, she exhibits her own work in solo shows and actively supports annual student art exhibitions, leaving a lasting mark on her students and the regional art community.

Driver Education Classroom – 30 Hours

The Motor Vehicle Administration (MVA) requires this course for those wishing to obtain a Maryland Driver’s License. Maryland law requires 30 hours of classroom instruction. Classroom instruction includes orientation, discussion of space management, basic maneuvering, reducing risk and personal factors influencing operator performance, and collision avoidance. The MVA requires that the student attend an orientation accompanied by a parent, guardian, or mentor. The orientation will be three hours long and will acquaint students with the school’s requirements and components of Maryland’s Graduated Driver Licensing Laws. You must be 16 years of age to take this class. A learner’s permit is not required as there will be no behind-the-wheel instruction in this class.

Note: MVA requires that a VIDEO camera is on your computer to show you are in attendance for the full three hours of the class. Must be 16 years of age before first day (orientation) to take class. Parent/guardian or mentor is recommended to attend orientation with the student if under 18. This class is offered via Zoom and the Zoom link can be found in myLearning 7 days prior.

Alive at 25 Behavior Modification

Motor vehicle crashes are the number one cause of death for young adults ages 16–24. Out of 60,000 Colorado students who completed the Alive at 25 program, the program reduced deaths from crashes by 97%! Alive at 25 is a highly interactive, behavior modification program delivered by law enforcement. Through interaction and role-playing, students are persuaded to take responsibility for their actions, adopt safe practices, focus on healthy decision making, and form their own conclusions about the consequences of risky driving behaviors. Alcohol, distractions, peer pressure, speed factors, and more are discussed.

Note: Details for accessing myLearning portal and course preparation will be provided via email approximately one week prior to the course. All students must have the Alive at 25 (NSC Driver Safety Training) Course Guide (4th Edition) to participate. It was either handed to you by a Teen Court or Juvenile Services Caseworker, mailed to address on file, or arrangements are being made to pick up at one of our CSM Campuses. If you do not have it by 4 p.m. on the Friday before the start of class, contact jmadams6@csmd.edu by email immediately to work out options. Do not wait until the day of the class to email. You will be required to prove that you have the course guide the night of the class.

WELLNESS

Forest Bathing

In Japan, they practice something called forest bathing, or shinrin-yoku. Shinrin in Japanese means forest, and yoku means bath. So shinrin-yoku means bathing in the forest atmosphere, or taking in nature through our senses. Simply put – forest bathing is retreating to nature to slow down and become immersed in the natural environment. Benefits may include stress reduction, mood enhancement, increased energy and better sleep, decreased inflammation, lower blood pressure, and even decreased risk of heart attack. Take the time to unwind and connect with nature to improve your health. Please wear comfortable shoes and clothes as this class will be held outside.

Costs

Costs are listed with each course description. Full payment of tuition and fees or third-party payment documentation must accompany the completed registration form(s). Students are individually responsible for payment of tuition, fees, and all other charges. Please note that financially delinquent accounts may be referred to an outside collection agency. If this occurs, the individual or company will be responsible for all attorney and collection agency fees imposed.

If you need financial assistance to help pay for the cost of your eligible workforce development courses, information on how to apply is available on csmd.edu/ceaid.

Additional Tuition and Fees

- Legal residents of Maryland residing outside of the tri-county area.....\$5 more per course
- Out-of-state residents.....\$10 more per course
- Continuing Education Certificate..... no cost
- Replacement of Continuing Education Certificate..... no cost
- Returned items (ACH online payments, credit card charge backs, and returned checks).....\$25
- The college reserves the right to adjust tuition and fees.

Proof of Residency

To be eligible for in-county or in-state rates, please sign a statement on the Continuing Education registration form certifying that you've lived at your current address for at least three consecutive months. Adjustments of tuition will not be made once the class starts, even if you move. If you have questions or wish to review your residency status, contact the Admissions Office at 301-934-2251.

Payment

- Payment is due at the time of registration.
 - You may pay online by American Express, Visa, MasterCard, or Discover using the non credit registration system.
 - If your employer is paying tuition, bring written authorization from the employer, or email approved tuition assistance paperwork to tap@csmd.edu. For further information please go to csmd.edu/apply-register/third-party-or-employer-paid/
 - If making a payment only, please remit payment to:
- STUDENT ACCOUNT SERVICES CSM**
PO BOX 910, LA PLATA, MD
20646-0910

Free Tuition for Senior Citizens

If you are a Maryland resident, aged 60 and above, you need not pay the course tuition for most courses, if the course has sufficient enrollment to be conducted. However, you are still responsible for all other related fees.

Employees of Maryland Business and Industry Tuition Rate

CSM offers a cost-saving agreement that allows employers located and doing business in Calvert, Charles, and St. Mary's counties to be charged lower, in-county tuition rates for their employees who do not live in Calvert, Charles, and St. Mary's counties. Employers not located in Calvert, Charles, or St. Mary's counties, but within the state of Maryland, may be charged a lower, in-state tuition rate for their employees who live outside the state of Maryland. To be eligible, employers must pay the tuition for their employees taking CSM credit or Continuing Education courses. Employers must sign the Business In-County Tuition Rate Agreement and submit it with the employee registration form. For details, call 301-934-7712 or 240-725-5300, ext. 7712.

Adding into Closed Classes

Occasionally, seats will become available in a class that has been closed. You can monitor seat openings through the college's website. If a seat becomes available, you can add the class through the non credit registration system or in person at one of our campus locations. Payment is required at the time of registration.

Course Cancellation

The college reserves the right to cancel any course due to low enrollment or unforeseen circumstances. However, every attempt will be made to prevent undue hardships on students. Students enrolled in courses canceled by the college will receive full refund of tuition and fees. Please call Student Account Services at 301-934-7712 or 240-725-5300, ext. 7712 or email studentaccounts@csmd.edu for refund inquiries or requests. For more information on CSM's operational status, visit csmd.edu/safe.

Course Changes

Changes to course information and room assignments occur on a regular basis. For the most current information, check out the college's website at csmd.edu.

CEU/ Attendance Policy

The Continuing Education Unit (CEU) is a nationally recognized method for recording participation in a Continuing Education (credit-free) program that does not carry credit toward a degree but does meet established criteria for increasing knowledge and competencies. One CEU is awarded for each 10 contact hours to those students who complete a minimum of 80% of an organized credit-free course.

CEU Award Criteria

- Students wishing to earn CEUs must:
- Demonstrate completion of all course objectives, skills, or assignments listed on the course outline.
 - Satisfy course attendance requirements.

Attendance Requirements

Attend a minimum of 80% of the course sessions (more stringent criteria may be applied to the definition of “successful completion” of any or all of the courses at the discretion of CSM or its clients). Attendance will be taken for every class as part of the college’s record keeping system and to meet the criteria for awarding CEUs. Some regulated training programs require 100% attendance.

CEU Record

Continuing Education students can acquire a Continuing Education record that will list the continuing education units completed, beginning with the 2004 spring semester. Students may obtain a Continuing Education record one of several ways:

1. Class history can be viewed on the student profile dashboard.
 2. Students can request their Continuing Education Record by completing the record request form, go.csmd.edu/cedrecordrequest.
- Options for submitting this form:
- You may complete and turn this form in at any CSM campus (must show your photo ID at time of drop off).
 - You may mail to:
COLLEGE OF SOUTHERN MARYLAND ATTN: REGISTRAR’S OFFICE (REG)
PO BOX 910
LA PLATA, MD 20646
 - You must also mail a copy of your photo ID to authenticate your request. You may email the request to transcripts@csmd.edu, along with a photo ID to authenticate your request.

Awards include:

CMP	Completed the course, met required competencies and earned CEUs
ATT	Attended the course, no CEUs awarded
WD	Withdrawal
CIP	Course in Progress
INA	Incomplete for
I	Non-Attendance Incomplete

An appeal process has been established for students who wish to appeal their Continuing Education unit awards.

Admissions Policy

Continuing Education courses are open to persons age 16 or older unless stated in the course description. Students may enroll in Continuing Education courses without being admitted to the college unless your financial assistance requires it. In all cases, the college reserves the right to make final decisions on admission or eligibility for enrollment in Continuing Education.

Student Code of Conduct

A community of higher learning can make its maximum contribution only if high standards of integrity, courtesy, and accomplishment are maintained by every member of the college. Responsibility for achieving this goal falls upon students, faculty, and administration alike.

The college reserves the right to discipline any student for any behavior, on college premises or in connection with college-sponsored activities, which is judged as detrimental to the aim and objectives of the college. The individual student is responsible for understanding specific regulations set forth in the Student Code of Conduct.

Academic Probation

Continuing Education students can be placed on probation for non-attendance. This will only apply in situations where students are receiving financial aid.

Credit for Prior Learning

The College of Southern Maryland has partnered with the Calvert County, Charles County, and St. Mary’s County public school systems to recognize the achievements of students who have taken specialized technical training in some high schools. If you have completed course work in one of the high schools, you can progress to the next level course for similar non-credit CSM career training programs. The college recognizes that students may bring knowledge with them gained through work and life experience, participation in non-collegiate courses and training activities, and self-directed study. Students may possibly receive credit for learning from service schools and other non-collegiate-sponsored instruction if applicable.

Schedule Changes/ Withdrawals/ Refunds

Withdrawals can be made at any time during the course at any college location or by emailing webreg@csmd.edu. Please include your full name, student ID number, date of birth and the class information. Please check the refund policy for further details as the refund policy has a shorter time period than the withdrawal policy. Learn more at csmd.edu/costs-aid/refund-policy/index.html

In extreme circumstances, where the student is forced to withdraw after the normal refund period, the college may consider an exception to our published policy. To be eligible for consideration, the student must meet the criteria described in the Emergency Withdrawal and Tuition Refund Policy (under Student Progress and Academic Records).

The policy and procedures for submitting an appeal can be found at csmd.edu/about/policies/involuntary-withdrawal-policy.html.

Student ID Information

Getting Your Student ID Card:
Continuing Education students are eligible to get a student ID if they are currently registered for a CSM class. Student ID cards can be obtained at any campus library by presenting a photo ID, such as a driver’s license. Students without a photo ID can present other forms of acceptable identification. For more information call 301-934-7626.

Finding Your Student ID Number:

- Your CSM Student ID can be found in the following locations:
- Student ID Card
 - My Profile tab on the student dashboard

If you are unable to locate your Student ID number, contact the Call Center at 301-934-2251 or email askme@csmd.edu.

Buying Books

Textbooks and course materials are available for purchase online through the CSM College Store website at csmdcollegestore.com and at the La Plata Campus store.

Campus pickup is free and available at the La Plata, Leonardtown and Prince Frederick campuses. Shipping is also available for textbooks and course materials for a flat fee of \$9.99.

Note: Sometimes books for Continuing Education classes are not available in the College Store until three days prior to the start of class. Contact the College Store at 301-934-7570 to check on availability.

Please visit csmdcollegestore.com for hours of operation.

Financial Assistance

Financial assistance is available through the CSM Foundation for all eligible students enrolled in selected WORKFORCE TRAINING courses. A limited amount of financial assistance is available on a first-come, first-served basis to those who meet certain criteria. Scholarships do not include the cost of books or outside expenses. Scholarships are based on funding availability.

How to Apply

1. Go to: csmd.edu/ceaid and click on Learn More About the Scholarship Finder for instructions on how to apply.
2. CSM has a registration system for Continuing Education classes as of January 2023. Once you have completed your scholarship application, please be sure you can log in to csmd.edu/ce by creating a profile if you do not have one or confirming your login if you do. Note: This login is NOT the same login you use for my.CSMD. You may use the forgot my username and password functions to assist you with logging in.
3. You will be notified about your scholarship application status via email in approximately 10-15 business days. If you were offered a scholarship and have completed the acceptance process, the funds will be directly applied to your profile in csmd.edu/ce. You may log in, register for the class, and pay any remaining balance you may have.

Note: Students should go to csmd.edu/ceaid for details on financial assistance.

Veterans Benefits VA

If you are eligible to receive veterans benefits through yourself, your parents, or spouse, the following Continuing Education programs have been approved for VA benefits:

- CDL Class B	- Electrical Helper	- Network Administrator
- Certified Clinical Medical Assistant	- Geriatric Nursing Associate	- Welding
- Commercial Truck Driver: Class A	- HVAC Helper	

For more information about VA benefits, visit: csmd.edu/veterans

Statement for prospective students: The College of Southern Maryland makes several federally required reports and statistics available for prospective students. The Campus Public Safety Report contains college policies regarding a variety of safety and security issues and includes crime statistics for the college. This report is available at csmd.edu/ready. The college also maintains a report addressing participation rates by students in intercollegiate athletics, coaching staffs, and certain expenses associated with intercollegiate athletic teams. Both reports may also be obtained by contacting the Registrar's Office, located in the AD Building on the La Plata Campus and at 301-934-7588.

NONDISCRIMINATION POLICY
The College of Southern Maryland does not discriminate on the basis of race, color, national origin, gender, disability, age, sexual orientation, religion, or marital status in its programs or activities. The Director, Disability Support Services—La Plata Campus, Student Resource Center (SR Building), Suite 126A, 301-934-7855—has been designated to handle inquiries regarding discrimination based on disabilities. The executive director of Student Affairs—La Plata Campus, Administration (AD) Building, Room 220B, 301-539-4746—should be contacted for student discrimination inquiries. Human Resources—La Plata Campus, Campus Center (CC Building), Room 212, 301-934-7700—should be contacted to handle all other discrimination inquiries.

ADA STATEMENT
Individuals with disabilities who require accommodations in order to participate in the College's programs should notify the Disability Support Services office at 301-539-4720 or dss@csmd.edu at least six weeks before the start of the program. Students who do not request accommodations at least six weeks in advance will receive services in a timely manner, after the scheduled students are processed.
