Letter from our Vice President

Welcome to CSM—where summer learning leads to lasting success!

The warmth of summer brings a season of new beginnings, and we're excited to welcome you to the College of Southern Maryland (CSM). Whether you're looking to get ahead in your studies, explore a new passion, or sharpen your career skills, this summer is the perfect time to make progress toward your goals.

This summer, you will see a mix of new opportunities as well as many of your old favorites like dancing, canoeing, professional development, and IT courses. Whether you are looking to connect with others who share your interests, just getting started in the workplace, or changing careers, we offer a quality education and the resources to support your journey.

At CSM, we offer a dynamic and flexible learning environment tailored to meet your needs. From fast-paced summer sessions to hands-on learning opportunities, we're

here to help you maximize your potential and make the most of your summer. Enroll in a two- or six-week program to obtain additional marketable skills and an industry-recognized credential so you can score that next promotion. You will find a blend of in-person, virtual, and hybrid course offerings that allow for maximum flexibility in your schedule. We look forward to helping you discover, plan, and achieve your goals this year.

Above all, our mission is to educate and empower our students. We look forward to seeing you in one of our classes soon so we can welcome you to the Hawk family! Your feedback and suggestions are always appreciated as we continually develop our program offerings.

Your Pathway to Possibilities

INSTRUCTOR HIGHLIGHTS

Tresor Thomas, has been on a journey of enlightenment since 2016, passionately exploring tools and resources essential to self-preservation. As a devoted wife, mother, Integrative Nutritional Health Coach (also known as a Holistic Health Coach), farmer, business owner, and board member of the Southern Maryland Agricultural Development Commission (SMADC), she balances numerous roles with unwavering dedication and purpose.

Tresor is the founder and CEO of My Mustard Seed, LLC, a family-operated urban farm established in Calvert County in 2019. Through My Mustard Seed, she inspires communities to take charge of their wellness by offering plant-based products and traditional services. The

farm's signature product is microgreens, which expanded in 2024 to include edible flowers and herbs.

Proudly certified as "Naturally Grown," My Mustard Seed adheres to organic standards, ensuring high-quality produce. Tresor remains deeply committed to accessibility, participating in programs such as the Farmers' Market Nutrition Program (FMNP) and the Supplemental Nutrition Assistance Program (SNAP) to provide nutrient-rich products to underserved communities.

My Mustard Seed's offerings are available online, at farmers' markets, and in local grocery stores, bringing wellness and nourishment to the community.

CULTIVATE SOMETHING NEW

Now's the time to plant the seed of something great in your life, help it grow, and see it thrive. Dig deep into new interests, skills, and hobbies, with classes in gardening, sustainability, and healthy living this summer at the College of Southern Maryland.

- * Build the garden of your dreams and learn how you can fill any space with green, living things in **Container Gardening 101 (HGC-8090)**.
- * Discover the ancient practice of planting and harvesting in tune with the phases of the moon in **Waxing and Waning: An Introduction to Old-Time Lunar Gardening (HGC-7600)**.
- * Savor the fruits of your labors by crafting delicious drinks with fresh seasonal fruits in **Making Garden Cocktails (PEP-9910)**. Food, culture, language, and travel—they're all connected. All that's missing to bring them together... is you.

Fill your space with green, grow fresh vegetables for sustainable living, or just enjoy the simple pleasure of digging your hands into soil. Whatever you want to sow and reap in your life, dig deep this summer with CSM Community Education.

Instructor Highlights

Karen Smith is a seasoned veterinary technician with over 30 years of experience in the care, treatment, and study of a wide range of animals, from large and small domestic breeds to exotic and wildlife species. Growing up on a farm, she developed a deep understanding of animal husbandry and agriculture, which continues to inform her work today.

Beyond her veterinary expertise, Karen has traveled the world to explore meditation and spiritual practices, fostering a commitment to holistic well-being. She passionately educates others on natural and alternative approaches to health and stress management, inspiring a deeper connection to self-care and mindfulness.

An advocate for sustainable living, Karen incorporates eco-friendly practices into her daily life. She brings this passion for education and sustainability to her engaging classes, offered through the College of Southern Maryland’s Community Education program. Whether focusing on wellness or animals, Karen’s sessions aim to enrich and empower her community. Join her in discovering the harmony between animals, holistic health, and sustainable living.

Driver Education Classroom - 30 Hours

The Motor Vehicle Administration (MVA) requires this course for those wishing to obtain a Maryland Driver's License. Maryland law requires 30 hours of classroom instruction. Classroom instruction includes orientation, discussion of space management, basic maneuvering, reducing risk and personal factors influencing operator performance, and collision avoidance. The MVA requires that the student attend an orientation accompanied by a parent, guardian, or mentor. The orientation will be three hours long and will acquaint students with the school's requirements and components of Maryland's Graduated Driver Licensing Laws. You must be 15 years of age to take this class. A learner's permit is not required as there will be no behind-the-wheel instruction in this class.

Note: MVA requires that a VIDEO camera is on your computer to show you are in attendance for the full three hours of the class. Must be 15 years of age before first day (orientation) to take class. Parent/guardian or mentor is recommended to attend orientation with the student if under 18.

Alive At 25
Behavior Modification

Motor vehicle crashes are the number one cause of death for young adults ages 16–24. Out of 60,000 Colorado students who completed the Alive at 25 program, the program reduced deaths from crashes by 97%! Alive at 25 is a highly interactive, behavior modification program delivered by law enforcement. Through interaction and role-playing, students are persuaded to take responsibility for their actions, adopt safe practices, focus on healthy decision making, and form their own conclusions about the consequences of risky driving behaviors. Alcohol, distractions, peer pressure, speed factors, and more are discussed.

Note: Details for accessing myLearning portal and course preparation will be provided via email approximately one week prior to the course. All students must have the Alive at 25 (NSC Driver Safety Training) Course Guide (4th Edition) to participate. It was either handed to you by a Teen Court, or Juvenile Services Caseworker, mailed to address on file, or arrangements are being made to pick up at one of our CSM Campuses. If you do not have it by 4 p.m. on the Friday before the start of class, contact jmadams6@csmc.edu by email immediately to work out options. Do not wait until the day of the class to email. You will be required to prove that you have the course guide the night of the class.

MOTORCYCLE SAFETY

Basic Rider Course (BRC)

This two-day Maryland Department of Transportation Motor Vehicle Administration (MDOT MVA) approved course is designed for the true beginning rider with little to no riding experience and who wants to obtain a Class M endorsement on current license. Taught by MDOT MVA and Motorcycle Safety Foundation (MSF) certified instructor/rider coaches; topics covered include practicing clutch-throttle control, stopping, turning, shifting, and basic crash avoidance skills through classroom activities (modified to be administered on the motorcycle range) and riding instruction using 250cc training motorcycles provided by our training program. Participants are required to complete a five-hour MSF online, eCourse prior to attending the two-day riding instruction and must present a copy of the eCourse completion certificate on the first day of instruction to participate. The eCourse will be provided by our program at least 3 days prior to the first day of riding instruction and topics include basic operation, preparing to ride, and some more advanced topics like risk and riding, and basic street strategies. Basic riding gear, or personal protective equipment (PPE), will be the responsibility of the rider and is required to participate in the two-day training. Click here for the PPE Checklist. The instructor/rider coach will inspect each participant's gear at the beginning of instruction on the first day and determine if the PPE is satisfactory for participation. If any item of the student's gear does not meet the required standards the student will not be allowed to participate in the course. Throughout the course the instructor/rider coaches evaluate and coach each rider's performance. Participants who do not achieve the minimum performance standards will not be allowed to continue in the course. To complete the course, riders must pass a knowledge and skill test administered at the end of the course. Riders who pass will receive a Maryland Motorcycle Safety Program Completion Card. Riders with a Maryland Driver's License will also receive a Completion Certificate to get the Class M license added to their current license.

In Japan, they practice something called forest bathing, or shinrin-yoku. Shinrin in Japanese means forest, and yoku means bath. So shinrin-yoku means bathing in the forest atmosphere, or taking in nature through our senses. Simply put - forest bathing is retreating to nature to slow down and become immersed in the natural environment. Benefits may include stress reduction, mood enhancement, increased energy and better sleep, decreased inflammation, lower blood pressure, and even decreased risk of heart attack. Take the time to unwind and connect with nature to improve your health. Please wear comfortable shoes and clothes as this class will be held outside.

Breathing for Health and Longevity

Breathe your way to relieve stress, balance energy, and improve sleep in this nervous system breath workshop. Most of us are stuck on autopilot, and we're getting bounced around by our environment leaving us feeling wired but tired, imbalanced, and frazzled. These breathing practices offer many of the same benefits as meditation, but it's easier to learn, can be practiced anywhere, and the results are very predictable. Breathing techniques have been practiced for thousands of years, but this modern approach demystifies the practices and focuses on real world science and results. No experience necessary.

Costs

Costs are listed with each course description. Full payment of tuition and fees or third-party payment documentation must accompany the completed registration form(s). Students are individually responsible for payment of tuition, fees, and all other charges. Please note that financially delinquent accounts may be referred to an outside collection agency. If this occurs, the individual or company will be responsible for all attorney and collection agency fees imposed.

If you need financial assistance to help pay for the cost of your eligible workforce development courses, information on how to apply is available on csmd.edu/ceaid.

Additional Tuition and Fees

- Legal residents of Maryland residing outside of the tri-county area.....\$5 moreper course
- Out-of-state residents\$10 moreper course
- Continuing Education Certificateno cost
- Replacement of Continuing Education Certificateno cost
- Returned items (ACH online payments, credit card charge backs, and returned checks).....\$25
- The college reserves the right to adjust tuition and fees.

Proof of Residency

To be eligible for in-county or in-state rates, please sign a statement on the Continuing Education registration form certifying that you’ve lived at your current address for at least three consecutive months. Adjustments of tuition will not be made once the class starts, even if you move. If you have questions or wish to review your residency status, contact the Admissions Office at 301-934-2251.

Payment

- Payment is due at the time of registration.
- You may pay online by American Express, Visa, MasterCard, or Discover using the non credit registration system.
- If your employer is paying tuition, bring written authorization from the employer, or email approved tuition assistance paperwork to tap@csmd.edu. For further information please go to csmd.edu/apply-register/third-party-or-employer-paid/
- If making a payment only, please remit payment to:
STUDENT ACCOUNT SERVICES CSM
PO BOX 910, LA PLATA, MD
20646-0910

Free Tuition for Senior Citizens

If you are a Maryland resident, 60 years of age or older, you need not pay the course tuition for most courses, if the course has sufficient enrollment to be conducted. However, you are still responsible for all other related fees.

Employees of Maryland Business and Industry Tuition Rate

CSM offers a cost-saving agreement that allows employers located and doing business in Calvert, Charles, and St. Mary’s counties to be charged lower, in-county tuition rates for their employees who do not live in Calvert, Charles, and St. Mary’s counties. Employers not located in Calvert, Charles, or St. Mary’s counties, but within the state of Maryland, may be charged a lower, in-state tuition rate for their employees who live outside the state of Maryland. To be eligible, employers must pay the tuition for their employees taking CSM credit or Continuing Education courses. Employers must sign the Business In-County Tuition Rate Agreement and submit it with the employee registration form. For details, call 301-934-7712 or 240-725-5300, ext. 7712.

Adding into Closed Classes

Occasionally, seats will become available in a class that has been closed. You can monitor seat openings through the college’s website. If a seat becomes available, you can add the class through the non credit registration system or in person at one of our campus locations. Payment is required at the time of registration.

Course Cancellation

The college reserves the right to cancel any course due to low enrollment or unforeseen circumstances. However, every attempt will be made to prevent undue hardships on students. Students enrolled in courses canceled by the college will receive full refund of tuition and fees. Please call Student Account Services at 301-934-7712 or 240-725-5300, ext. 7712 or email studentaccounts@csmd.edu for refund inquiries or requests. For more information on CSM’s operational status, visit csmd.edu/ready/.

Course Changes

Changes to course information and room assignments occur on a regular basis. For the most current information, check out the college’s website at csmd.edu.

CEU/Attendance Policy

The Continuing Education Unit (CEU) is a nationally recognized method for recording participation in a Continuing Education (credit-free) program that does not carry credit toward a degree but does meet established criteria for increasing knowledge and competencies. One CEU is awarded for each 10 contact hours to those students who complete a minimum of 80% of an organized credit-free course.

- CEU Award Criteria
- Students wishing to earn CEUs must:
- Demonstrate completion of all course objectives, skills, or assignments listed on the course outline.
 - Satisfy course attendance requirements.

Attendance Requirements

Attend a minimum of 80% of the course sessions (more stringent criteria may be applied to the definition of “successful completion” of any or all of the courses at the discretion of CSM or its clients). Attendance will be taken for every class as part of the college’s record keeping system and to meet the criteria for awarding CEUs. Some regulated training programs require 100% attendance.

CEU Record

Continuing Education students can acquire a Continuing Education record that will list the continuing education units completed, beginning with the 2004 spring semester. Students may obtain a Continuing Education record one of several ways:

1. Class history can be viewed on the student profile dashboard.
2. Students can request their Continuing Education Record by completing the record request form, csmd.edu/pdfs/apply-register/continuing-education-record-request-form.pdf.

- Options for submitting this form:
- You may complete and turn this form in at any CSM campus (must show your photo ID at time of drop off).
 - You may mail to:
COLLEGE OF SOUTHERN MARYLAND
ATTN: REGISTRAR’S OFFICE (REG)
PO BOX 910
LA PLATA, MD 20646
 - You must also mail a copy of your photo ID to authenticate your request. You may e-mail the request to transcripts@csmd.edu, along with a photo ID to authenticate your request.

Awards include:

CMP	Completed the course, met required competencies and earned CEUs
ATT	Attended the course, no CEUs awarded
WD	Withdrawal
CIP	Course in Progress
INA	Incomplete for Non-Attendance
I	Incomplete

An appeal process has been established for students who wish to appeal their Continuing Education unit awards.

Admissions Policy

Continuing Education courses are open to persons age 16 or older unless stated in the course description. Students may enroll in Continuing Education courses without being admitted to the college unless your financial assistance requires it. In all cases, the college reserves the right to make final decisions on admission or eligibility for enrollment in Continuing Education.

Student Code of Conduct

A community of higher learning can make its maximum contribution only if high standards of integrity, courtesy, and accomplishment are maintained by every member of the college. Responsibility for achieving this goal falls upon students, faculty, and administration alike.

The college reserves the right to discipline any student for any behavior, on college premises or in connection with college-sponsored activities, which is judged as detrimental to the aim and objectives of the college. The individual student is responsible for understanding specific regulations set forth in the Student Code of Conduct.

Academic Probation

Continuing Education students can be placed on probation for non-attendance. This will only apply in situations where students are receiving financial aid.

Credit for Prior Learning

The College of Southern Maryland has partnered with the Calvert County, Charles County, and St. Mary’s County public school systems to recognize the achievements of students who have taken specialized technical training in some high schools. If you have completed course work in one of the high schools, you can progress to the next level course for similar non-credit CSM career training programs.

The college recognizes that students may bring knowledge with them gained through work and life experience, participation in non-collegiate courses and training activities, and self-directed study. Students may possibly receive credit for learning from service schools and other non-collegiate-sponsored instruction if applicable.

Schedule Changes/ Withdrawals/ Refunds

Withdrawals can be made at any time during the course at any college location or by emailing webreg@csmd.edu. Please include your full name, student ID number, date of birth and the class information. Please check the refund policy for further details as the refund policy has a shorter time period than the withdrawal policy. Learn more at csmd.edu/costs-aid/refund-policy/index.html

In extreme circumstances, where the student is forced to withdraw after the normal refund period, the college may consider an exception to our published policy. To be eligible for consideration, the student must meet the criteria described in the Emergency Withdrawal and Tuition Refund Policy (under Student Progress and Academic Records).

The policy and procedures for submitting an appeal can be found at csmd.edu/about/policies/involuntary-withdrawal-policy.html.

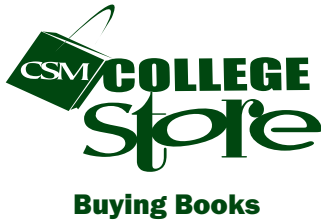

Student ID Information

Getting Your Student ID Card:
Continuing Education students are eligible to get a student ID if they are currently registered for a CSM class. Student ID cards can be obtained at any campus library by presenting a photo ID, such as a driver’s license. Students without a photo ID can present other forms of acceptable identification. For more information call 301-934-7626.

Finding Your Student ID Number:

- Your CSM Student ID can be found in the following locations:
- Student ID Card
 - My Profile tab on the student dashboard

If you are unable to locate your Student ID number, contact the Call Center at 301-934-2251 or email askme@csmd.edu.

Textbooks and course materials are available for purchase online through the CSM College Store website at csmcollegestore.com and at the La Plata Campus store.

Campus pickup is free and available at the La Plata, Leonardtown, Regional Hughesville and Prince Frederick campuses. Shipping is also available for textbooks and course materials for a flat fee of \$9.99.

Note: Sometimes books for Continuing Education classes are not available in the College Store until three days prior to the start of class. Contact the College Store at 301-934-7570 to check on availability.

Please visit **csmcollegestore.com** for hours of operation.

Financial Assistance

Financial assistance is available through the CSM Foundation for all eligible students enrolled in selected WORKFORCE TRAINING courses. A limited amount of financial assistance is available on a first-come, first-served basis to those who meet certain criteria. Scholarships do not include the cost of books or outside expenses. Scholarships are based on funding availability.

How to Apply

1. Go to: **csmd.edu/ceaid** and click on Learn More About the Scholarship Finder for instructions on how to apply.
2. CSM has a new registration system for Continuing Education classes as of January 2023. Once you have completed your scholarship application, please be sure you can log in to **csmd.edu/ce** by creating a profile if you do not have one or confirming your login if you do. *Note: This login is NOT the same login you use for my.CSMD. You may use the forgot my username and password functions to assist you with logging in.*
3. You will be notified about your scholarship application status via email in approximately 10-15 business days. If you were offered a scholarship and have completed the acceptance process, the funds will be directly applied to your profile in **csmd.edu/ce**. You may log in, register for the class, and pay any remaining balance you may have.

Note: Students should go to **csmd.edu/ceaid** for details on financial assistance.
